ENGLISH REQUIREMENTS
All instruction at Mentone Girls’ Grammar School is in English, and overseas students entering the School must complete an Australian Education Assessment Services (AEAS) English Proficiency Test.

Required Test Scores:
**Non-direct entry to Years 7 to 10:** AEAS score of at least 36 (with between 12-20 weeks intensive English, or as indicated by test results).

**Direct entry to Years 7 to 10:** AEAS score of at least 61.

**Direct entry to Years 11 to 12:** AEAS score of at least 71.

(The above direct entry scores are a guideline only, and depending on the student’s academic reports and AEAS recommendations, students may still be required to complete further English language studies prior to commencement).

For entry into Years 7 – 10, an offer of a place is conditional on the AEAS test results and recommendations. Students who are required to undertake an intensive English language course as indicated by AEAS, must do so prior to commencement at Mentone Girls’ Grammar School. Students may be required to sit another AEAS test at the completion of their intensive English language course. Further English studies may also be required if the standard of English necessary for entry to Mentone Girls’ Grammar School has not been met by the student.

For more information on AEAS testing please go to www.aeas.com.au

NOTE: Intensive English classes are available at local English Language Centres in Melbourne and must be arranged directly with the selected centre.
EAL Support Lessons: Mentone Girls’ Grammar School provides English as an Additional Language (EAL) tuition with individual and small group classes to improve oral and written skills. Students work on EAL specific material (textbooks, work sheets, CDs, internet tasks etc) and also on subject specific vocabulary and year level curriculum. The EAL teacher assists students with homework, assignment tasks and preparation for tests and examinations.

Facilities, Equipment and Resources: Students in Years 7 & 8 have a prescribed laptop computer purchased through the School. The School operates in Years 9 - 12 a ‘Bring Your Own Device’ program where students can bring their own laptop or iPad to connect to the School’s eLearning systems. Unsatisfactory attendance or academic performance will result in the student being reported to the Australian Immigration authorities and risk having their visa cancelled.

PASTORAL CARE

Fully qualified staff are always available to assist students including Home/Tutor Group Teacher, Head of Year, International Student Co-ordinator, School Psychologist, School Chaplain and School Nurse.

WELFARE SUPERVISOR (Guardian) & HOMESTAY (Accommodation Provider)

It is the policy of Mentone Girls’ Grammar School that all overseas students have a Welfare Supervisor. The student’s Homestay provider is not permitted to be the student’s Welfare Supervisor.

Mentone Girls’ Grammar School recommends parents of international students use the services of external provider, EduCARE Services Australia or International Student Alliance (ISA) at www.studentguardians.com/ for Welfare Supervision. Further information and application details can be obtained by visiting their website at www.educareservicesaustralia.com.au The approximate cost of this service is A$2,000 per annum.

For Homestay requirements, the School’s Admissions Manager and International Student Co-ordinator will assist families to find suitable Homestay accommodation through Familystay Australia. All homes are carefully selected and every assistance is given to students seeking accommodation. Payment for Homestay is a private arrangement between the student’s family and the Homestay provider. The cost is approximately A$300 per week. An additional A$200-250 per week should be allowed for living expenses. Students are not permitted to live with friends under the age of 25. The School reserves the right to reject a Welfare Supervisor application or living arrangement that is deemed unsuitable. A Homestay Payment Agreement Form will be signed by both provider and student, and a copy will be retained at the School.

The Homestay Accommodation Provider will ensure the following:

- An opportunity for students to experience Australian culture and lifestyle.
- Regular meals – a prepared dinner at night, and either a packed lunch or access to adequate fresh food for the student to make lunch and breakfast independently.
- Laundry facilities.
• Internet access for schoolwork.
• A clean and safe environment.

COURSE DESCRIPTION

The VCE qualifies students for entry into university courses internationally. Every year students from Mentone Girls’ Grammar School achieve excellent VCE results and gain entry to prestigious Australian universities.

For more information about the VCE at Mentone Girls’ Grammar School, please contact the Admissions Manager on +61 3 9581 1200 or gmcdonald@mentonegirls.vic.edu.au

Students generally complete their course of study on site at Mentone Girls’ Grammar School; however, students may elect to complete a Vocational Education Training (VET) unit as part of their VCE. While Mentone Girls’ Grammar School is a Registered Training Organisation, in some instances students may do a single VET subject at another institution as part of the VET in Schools program.

The academic year in Australia commences at the beginning of February and ends at the beginning of December. There are two school semesters or half years for secondary level students and a total of four school terms.

LANGUAGES
Mentone Girls’ Grammar School offers Mandarin, French, German and Japanese. Students may also have the option of studying VCE Mandarin on the School premises outside school hours.

REPORTS
Continuous reporting through mConnect with formal reports advising academic progress and co-curricular involvement are issued at the end of each semester (June and December). Interviews between parents/relatives/guardians are scheduled at the end of Terms 1 and 3. Parents living overseas may telephone, fax or email the student’s Head of Year if they require information regarding their daughter. Parents and Welfare Supervisors will be sent login details and instructions to access the School’s Parent Portal to receive up-to-date information about the progress and workload of the student.

RESOLUTION OF STUDENT GRIEVANCES
Students have the opportunity at all times to discuss particular concerns with the School’s Principal. In the first instance, the International Student Co-ordinator will assist and advise students on the correct procedure to follow. In the case of a dispute not being resolved between the student and the School, an independent panel can be called upon to arbitrate. This agreement, and the availability of complaints and appeals processes, do not remove the right of the student to take action under Australia’s consumer protection laws. If you wish to lodge an external appeal or complain about a dispute decision, you can contact the Overseas Students’ Ombudsman. The Overseas Students’ Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students’ Ombudsman website www.oso.gov.au or phone 1300 362 072 for more information.
COLLECTION OF PERSONAL INFORMATION

Information is collected on this form and during your enrolment in order to meet our obligations under the ESOS Act and the National Code of Practice for Registration Authorities and Providers of Education to Overseas Students (National Code); to ensure student compliance with the conditions of their Visas and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education to Overseas Students. Information collected about you on this form and during your enrolment can be provided, in certain circumstances, to the Australian government and designated authorities. In other instances, information collected on this form or during your enrolment can be disclosed without your consent where authorised or required by law.

THE ESOS FRAMEWORK

The Australian government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia’s laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code (as above).

Protection for overseas students

As an overseas student on a student Visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at http://cricos.deewr.gov.au. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students. Please check carefully that the details of your course, including its location, match the information on CRICOS.

Your rights

The ESOS framework protects your rights, including:

- Your right, before enrolling, to receive current and accurate information about the courses, fees, modes of study and other information from your provider and your provider’s agent. If you are under 18, to ensure your safety you will be granted a Visa only if there are arrangements in place for your accommodation, support and welfare.

- Your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information about refunds of course money. You should keep a copy of the signed agreement.

- Your right to receive the education and other services as outlined in the letter of offer from the School and in any course information provided.

The ESOS framework sets out the standards Australian education providers offering education services to overseas students must obey. These standards cover a range of information you have a right to know and services that must be offered, including:

- Orientation and access to support services to help you study and adjust to life in Australia.

- Who the contact officer/s is for overseas students.

- When your enrolment can be deferred, suspended or cancelled.

- What your provider’s requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well.

- If attendance will be monitored for your course.

- A complaints and appeals process.
Your responsibilities
As an overseas student on a student Visa, you have responsibilities to:

- Satisfy your student Visa conditions.
- Maintain your Overseas Student Health Cover (OSHC) for the period of your stay.
- Meet the terms of the written agreement with the School.
- Inform your Welfare Supervisor and International Student Co-ordinator if you change your address.
- Maintain satisfactory course progress.
- Follow the School’s Attendance Policy.
- Maintain your approved accommodation, support and general welfare arrangements.
- Discuss plans for any overnight stay or travel which is not accompanied by an approved adult such as Homestay provider or relative with the International Student Co-ordinator and Welfare Supervisor. For any such travel, you must obtain written approval from your Welfare Supervisor, a copy of which must be sent to the International Student Co-ordinator.
- For school holiday arrangements that involve travel within or outside Australia, you must complete the School's Holiday Form which must be submitted to the International Student Co-ordinator four weeks prior to travel. NOTE: Homestay providers will require a minimum of two weeks’ notice if a student will be away for the holidays. As the School is ultimately responsible for student welfare during their schooling years, it reserves the right to refuse unsuitable travel arrangements. Failure to abide by this process may result in cancellation of the Confirmation of Appropriate Accommodation and Welfare.
